EXIS TECH
new era in test handling

19 November 2020

To Whom It May Concern

Declaration of Exis Tech's RoHS, REACH and POP

As an engineering company that specialises in the design and assembly of industrial automation machinery since 2002, Exis Tech has an extensive customer base in more than 20 countries worldwide.

Exis Tech's machines are mainly Back End Test Handlers for the semiconductor industry which do not contain any of the 209 Substances of Very High Concern (SVHCs) identified in the REACH Regulation. Our products do not contain any of the dangerous chemical substances, mixtures or articles identified in REACH Annex XVII or VIV. Re: RoHS I,II, III, REACH and POP Annex I.

As an exporter to the European Union, all our products are compliant with Amended Directive EU 2015/863 of The European Parliament and of the Council on the restriction of the use of certain hazardous substances (RoHS) in electrical and electronic equipment. Our products are also compliant with Chinese RoHS regulations.

Additionally, all our products and materials are compliant with the European Community Regulations on Chemicals, "REACH," Regulation No. EC1907/2006 with updated SVHC list of 6/25/2020 containing 209 items.

Regulation (EU) 2019/1021 about persistent organic pollutants (POP) deals with the protection of the human health and the environment against these substances by a preferably early elimination of production or accordingly by the limitation to a minimum regarding manufacturing, placing on the market and usage of these substances. Furthermore, the regulation defines provisions about waste which consist of these substances, in which these substances are contained, or which are contaminated by these substances. Exis Tech assembled products are in compliance with the POPs Regulation and don't contain substances subject to prohibitions listed in Annex I to Regulation (EU) 2019/1021.

The statements made here are mainly based on the information given by the manufacturer, their suppliers and our suppliers for our entire product portfolio. Those statements were not corroborated by laboratory analyses. Please note that this statement only applies to the condition of the product when shipped from our factory site. Exis Tech will not assume any liability for other product used in combination with the products mentioned here.
